

# ANDERS MUNK-NIELSEN

**Field:** Empirical IO, structural microeconometrics.

**Topics:** Car demand, the IO of the pharmaceutical market, housing prices, income dynamics.

## PERSONAL DATA

Birth year: 1987  
+45 2639 4121  
Rølsvej 20, 1.tv.  
2000 Frederiksberg

## EDUCATION

- 2015** PhD, economics, University of Copenhagen (November)  
Title: *Car Ownership, Type Choice and Use*  
Supervisor: Bertel Schjerning, co-supervisor: Søren Leth-Petersen.  
Committee: Marc Jacobsen, Alessandro Gavazza and Mette Ejrnæs.
- 2012** MSc, economics, GPA: 11.8 (A). University of Copenhagen
- 2011** Exchange student, University of Melbourne
- 2010** BSc, economics, GPA: 10.9 (A). University of Copenhagen

## AFFILIATIONS

- 2017** Visiting Scholar, MIT, Department of Economics
- 2015-** Postdoc, U. of Copenhagen, Department of Economics
- 2013** Visiting PhD student, Yale University
- 2009-11** Research assistant, U. of Copenhagen, Department of Economics.

## GRANTS

- 2016** EPRN grant, "Spikes in generic drug prices: a necessary evil?"  
DKK 274,397. Principal investigator.
- 2016-19** FSE grant, "Dynamic aspects of competition"  
DKK 1,758,925. Principal investigator.
- 2016-19** Innovation Fund, "Urbanization, productivity and congestion"

## TEACHING

- 2016** Lecturer in Advanced Microeconometrics, course
- 2015** Lecturer in Advanced Microeconometrics, course and seminar
- 2012** Teaching assistant in Advanced Microeconometrics
- 2011** Teaching assistant in Advanced Microeconometrics

## PUBLISHED PAPERS

- 2016** *Tax Incentives and Borrowing*, 2016. *Economics Letters*, 145:162-164. [URL](#).  
*With:* Sule Alan and Søren Leth-Petersen

### CURRENT PROJECTS

- *Earnings Process Estimation with Regression Trees*, 2017.  
[www.econ.ku.dk/munk-nielsen/papers/LRT\\_2017.pdf](http://www.econ.ku.dk/munk-nielsen/papers/LRT_2017.pdf)  
*With:* Jeppe Druedahl.
- *Using covariances of income levels and future growth rates to test for heterogeneous income profiles*, 2017.  
[www.econ.ku.dk/munk-nielsen/papers/HIP\\_2017.pdf](http://www.econ.ku.dk/munk-nielsen/papers/HIP_2017.pdf)  
*With:* Jeppe Druedahl.
- *A Dynamic Model of Vehicle Ownership, Type Choice, and Usage*, 2016. [www.econ.ku.dk/munk-nielsen/papers/iruc.pdf](http://www.econ.ku.dk/munk-nielsen/papers/iruc.pdf)  
*With:* Ken Gillingham, Fedor Iskhakov, John Rust and Bertel Schjerning.
- *A Tale of Two Tails: Commuting and the Fuel Price Response in Driving*, 2016. NBER Working Paper 22937.  
<http://www.nber.org/papers/w22937>  
*With:* Ken Gillingham.
- *Diesel Cars and Environmental Policy*, 2015.

### REFERENCES

Associate Professor  
Bertel Schjerning  
(U. of Copenhagen)

Professor  
John Rust  
(Georgetown)

Assistant Professor  
Kenneth Gillingham  
(Yale)

### WORK IN PROGRESS (preliminary titles)

- Spatial competition, entry and productivity among Norwegian pharmacies.  
*With* Morten Sæthre.
- Expectations and house prices in general equilibrium.  
*With* Jeppe Druedahl.
- Edgeworth cycles in pharmaceutical prices from procurement auctions in Denmark  
*With* Harry J. Paarsch and Frederik Plum Hauschultz.

### HONOURS AND AWARDS

- 2014** Junior Researcher Paper Prize of the ITEA Conference on Transportation Economics for *Diesel Cars and Environmental Policy*
- 2014** SAS Analytics Prize for *Diesel Cars and Environmental Policy*
- 2014** Econometric Game, 1st place (see [econometricgame.com](http://econometricgame.com))
- 2013** The Zeuthen Prize for *Diesel Cars and Environmental Policy*
- 2013** Econometric Game, 2nd place
- 2012** Econometric Game, 1st place
- 2011** The Nordea Prize for *Taxation as a Health Policy Instrument*

### KNOWLEDGE DISSEMINATION

- 2017** Radio: Interview during “55 minutter” on Radio 24syv, August 28.
- 2015** Newspaper: *Bilejerne kan blive klimaets venner*. Altinget: Forskningsformidling December 16th.
- 2014** Newspaper: *Grøn Bilbeskatnings Mørke Bagside*. Op-ed in Børsen, October 24.
- 2014** Radio: Interview during “Detektor” on DR P1, October 16.

**CURRICULUM VITAE**  
**SEPTEMBER 2017**

- 2014** Presentation at SASForum 2014, Copenhagen, on October 9.
- 2014** *Predicting poverty with incomplete data: tackling measurement-error with a pseudo copula approach*. *Aenorm*, vol. 22, nr. 83, pp. 25-30, 2014.  
with Alessandro Martinello, Daniel Safai and Valeria Zhavaronkina
- 2012** *How does maternal smoking during pregnancy affect infants' birthweight?* *Aenorm*, vol. 20, nr. 76, pp. 5-8, 2012.  
with Line Elvstrøm Ekner, Andreas Noack Jensen, Anna Folke Larsen, and Rasmus Søndergaard Pedersen
- 2011** *Taxation as a Health Policy Instrument*. *Empiria – Journal for Students of Economics*, 1(1), 2011. Winner of the Nordea Prize. ISSN 2245-0238, URL [ssrn.com/abstract=1962113](http://ssrn.com/abstract=1962113).  
with Jesper Riis-Vestergaard Sørensen

**OTHER PROFESSIONAL ACTIVITIES**

- 2017** Developing and estimating a model for simulating responses to vehicle taxation for the *Danish Economic Councils*.

**CONFERENCES, WORKSHOPS AND SEMINARS**

- 2017** IO lunch, MIT, Boston (scheduled)  
URBAN conference, U. of Copenhagen  
Applied micro seminar, Boston College  
DARA seminar, Colorado State University  
DAEiNA conference, Lexington VA  
International Industrial Organization Conference, Boston  
IO lunch seminar, MIT, Boston
- 2016** Danish Competition and Consumer Authority  
Frisch Institute, Oslo  
EPRN conference, Copenhagen,  
SITE Summer Workshop, Stanford, Palo Alto  
Aarhus University  
Copenhagen Business School
- 2015** Norwegian School of Economics, Bergen  
American Economic Association meetings, Boston  
Environmental economics seminar, Yale U.
- 2014** Zeuthen Workshop, U. of Copenhagen  
Symposium: Re-considering Motor Fuel Taxes, KTH, Stockholm  
Econometric Society European Meeting, TSE, Toulouse  
1st annual conference for the IAAE, Queen Mary U. of London  
5th Microeconomic Network Meeting, U. of Copenhagen  
Kuhmo-Nectar Conference of the ITEA, TSE, Toulouse  
Annual Meeting for the Danish Econometric Society, Sandbjerg Gods  
Zurich Initiative for Computational Economics, U. of Zurich  
IRUC Workshop, U. of Copenhagen
- 2013** CAM Research Workshop, U. of Copenhagen.  
Transport Economics Seminar, DTU, Copenhagen  
IRUC Research Workshop, U. of Copenhagen
