 Lill Thanning Hansen, assistant professor, Institute of Food and Resource Economics, University of Copenhagen.
 Poul Schou, senior researcher, the Secretariat of the Economic Councils, Copenhagen.
 Carl-Johan Dalgaard, professor, Department of Economics, University of Copenhagen.
 Jacob Weisdorf, associate professor, Department of Economics, University of Copenhagen.
 Elisabeth Hermann Frederiksen, Associate at McKinsey&Company, Copenhagen.
 Currently supervisor of:
 Jeppe Druedahl.

Recent teaching

Alternately lecturing three graduate courses, Advanced Macroeconomics and Economic Growth within the MSc in Economics study programme, Department of Economics, University of Copenhagen, and Macroeconomics 2 at the BA in Mathematics and Economics study programme, Faculty of Sciences, University of Copenhagen.

In addition to lecturing I have organized and headed many graduate student seminars within Macroeconomics and Economic Growth.

Earlier teaching experience includes bachelor courses at the Department of Economics and MSc courses at the Mathematics and Economics study programme.

Further teaching experience: BA, MSc and PhD thesis supervision within Macroeconomics, Economic Growth and Environmental economics.
