

Economic Governance and Development in Vietnam and Mozambique (‘FFU Project’)

*Central Institute for Economic Management (CIEM), Vietnam
Institute of Labour Studies and Social Affairs (ILSSA), Vietnam
National Directorate for Studies and Policy Analysis (DNEAP), Mozambique
National Institute of Statistics (INE), Mozambique
Development Economics Research Group (DERG), University of Copenhagen*

Terms of Reference 2012

**DFC Project Number 85-08-KU
KU Project Number 27540**

These Terms of Reference (ToR) outline all Working Papers to be undertaken by CIEM, ILSSA, DNEAP, INE and DERG in 2012 under the FFU Project. The total term of the FFU project is from January 2009 to July 2012, and these ToR therefore refer to activities to be undertaken during the final six months of the three and a half year project. The present ToR are written following the second FFU Policy Workshop, which was held in Hanoi, Vietnam in November 2011.

In 2011, ten FFU Working Papers were produced by the team. These are:

1. Poverty Mapping and Targeting
2. Poverty Identification and Definition
3. Agriculture
4. Capital Account Management
5. Public Financial Management and Resource Allocation
6. Competitiveness
7. Labour Market
8. Social Protection
9. Natural Resources
10. Natural Environment

Please see the 2011 ToR for more details. The studies will soon be posted on-line at the usual place: <http://www.econ.ku.dk/derg/activities/ffu/>.

In-line with the project document, 2012 activities will be as follows:

Four Policy Briefs

Book Volume

Revise any working papers as appropriate

Third and final Research Workshop

Final reporting and accounting to FFU
